

The Shrinkage Forum

The purpose of these meetings is to provide an opportunity for Distribution Networks and the wider Gas Industry to meet on a regular basis to review and discuss matters directly relevant to the evaluation of shrinkage to include :-

- Review of annual shrinkage forecasts
- Review of actual shrinkage performance against forecasts
- Review and recommend any projects which will improve the accuracy of the evaluation of shrinkage
- Review the output of the annual Shrinkage and Leakage Model report which is a Licence Condition for DNs
- Review the output of the biennial Shrinkage and Leakage Smart Metering report which is a Licence Condition for DNs
- To consider issues which have a direct impact on the evaluation of shrinkage

For more information on how to attend please contact the Joint office of Gas Transporters at enquiries@gasgovernance.co.uk

Further information on the Shrinkage Forum can be found on the Joint Office of Gas Transporters website at <https://www.gasgovernance.co.uk/sf>
