# Workgroup Report

- ▶ Current Workgroup Report publication date is 03 May 2018
- ▶ Panel Meeting is 17 May 2018
- ▶ Workgroup seeks an extension to the deadline for providing the Workgroup Report from 03 May to 09 May 2018
- ▶ This still gives 5 clear business days before the May Panel meeting.

# Final Modification Report

It was agreed at the March UNC Panel meeting that:

- ▶ Each representation will be published in full
- ▶ Joint Office will only table a summary of all the modifications showing which modifications are Supported/Opposed/Qualified Support and not provide a summary of each representation

Please Note:

1. Joint Office are intending to ask respondents to state which is their preferred Modification for implementation.
2. Respondents will **not** be asked to rank the Modifications in order of preference.
3. Panel are asked to support this approach.

# Consultation Template

- ▶ Consultation template to be kept simple to avoid confusion
- ▶ Completion of the consultation template rather than company specific responses is strongly encouraged as an unprecedented volume of responses is expected. This will help to ensure consistency
- ▶ Panel support for use of the consultation template is sought.
