Dear Penny,

Approval of the Uniform Network Code (UNC) Panel Consumers' Representative

Thank you for your e-mail of 7 September 2018 confirming that the Joint Office of Gas Transporters received one nomination, Mr Eddie Proffitt, following the recent invitation for nominations or expressions of interest for the role of the Consumers' Representative.

We note the nominee is currently appointed as a Consumer Representative on the UNC Modification Panel. I can confirm that we approve this re-appointment, in accordance with 4.1.3 of the UNC Modification Rules¹. The term of the appointment² is for the period until the appointment of Panel representatives under the next UNC Modification Panel election process.

Ahead of the next UNC Modification Panel election process, we would welcome the Joint Office engaging with parties or individuals with an interest in representing consumers, including larger user groups, to consider the approach to seeking expressions of interest for appointment to this role, from all potentially interested parties. We would also welcome consideration of the relevant UNC provisions and approval process for such an appointment.

Yours sincerely

Lesley Nugent
Head of Industry Codes and Licensing
