

# NTS CMF – 6 November 2018

@EnergyUKComms [www.energy-uk.org.uk](http://www.energy-uk.org.uk)

National Grid (SC) to provide Energy UK (JCx) the updated contract data to Energy UK to enable an update to the Average Price Comparison graph for recent QSECs

- Reminder of the impact including or excluding historical contracts in FCC has on capacity prices

- Additional historical contract data provided for Existing contracts (pre April 2017) and including 2018 allocations.
- Some data issues found
