

PAC Framework amendment proposal

Amendment of clauses around annual review

Shelley Rouse – Head of Gas Performance Assurance

Performance Assurance Framework Amendment

- Current wording:
 - 6.3.3 At the end of each anniversary of the PAFA contract appointment, the PAC shall seek feedback from the industry, including the PAFA, on the activities and performance of the PAFA for the provision of the PAFA Scope. The PAC shall provide a summary of feedback received and any actions determined to address it.
- Proposed wording:
 - 6.3.3 At the end of each anniversary of the PAFA contract appointment, *the PAFA shall seek feedback on the activities and success of the PAF arrangements, the PAFA in their role as administrator of the arrangements, the PAC in their role as managers of the Performance Assurance Framework and Xoserve for the provision of information.* The PAFA shall provide a summary of feedback received and plans for any actions determined to address it.

Shelley Rouse – Head of Gas Performance Assurance
