Log of Change Proposals used to facilitate updates to the DSC Service Description Table and other CDSP documents

The Table below lists the XRN numbers of the Change Proposals that detail proposed amendments to DSC/CDSP Service Documents that have been presented at and approved at CoMC meetings since October 2019. All of the Change Proposals listed below are available to view on the Joint Office Website [CoMC Meetings](#) under the month that they were initially presented. Once the Change Proposal has been approved by the CoMC the updated version of the document is forwarded by Xserve as CDSP to the Joint Office and it is then uploaded on the Joint Office website within the DSC/CDSP Documents Section [DSC/CDSP Documents](#). This list is correct as of 13th December 2022
