Gemini Sustain Plus – Update

Transmission Workgroup

7th December 23

Latest News

Gemini Sustain Plus Focus Group

- The second Focus Group happened on 20th November and representatives from over 60 organisations attended. The Focus Group session covered information on proposed combined Gemini User Roles, API's and a demonstration on the new Search functionality and Favourites. There was also an interactive Q&A.
- The Focus Group presentation material is available on the [Gemini Sustain Plus website](#), with the answers to the Q&A and recording of the session to follow in the coming days

January 24 Focus Group

- The next Focus Group will be held on Monday 22nd January (invitations to follow) and the agenda will cover:
 - Programme progress updates
 - A walk-through of the Change Pack
 - More detailed information on API Change
 - The security framework
 - Training update
 - Q&A
