

**APPLICATION FOR CONSENT TO MODIFY THE CODE**  
"Financial Services Markets Act References within the Uniform Network Code"  
Version 1.0

**Reference:** C019

**Transporter Proposal**

The Joint Office of Gas Transporters would like to request that the Authority grant permission to amend the legal text as contained within the Uniform Network Code.

As a result of ongoing work within National Grid on Restricted User arrangements, it has become apparent that references to the Financial Services Act 1986 and 2000 within the Uniform Network Code are not valid. In order to ensure that the UNC references the correct legislation, the following modifications to the UNC are proposed:

**Nature of Modification**

<b>UNC Location</b>	<b>Current Licence Reference</b>	<b>Proposed New Licence Reference</b>
TPDV 2.5.1(b)	Financial Services Act 1986	Financial Services Markets Act 2000
TPDV 2.5.1(c)	Financial Services Act 2000	Financial Services Markets Act 2000

**Transporter Application**

This application contains the Transporters' proposal to modify the Uniform Network Code for which they now seek the consent of the Authority

Signed for and on behalf of Transporter.
