

**APPLICATION FOR CONSENT TO MODIFY THE CODE**  
"0046 : Extension of the Sunset Clauses for Registration of Capacity at NTS Exit  
Points"  
Version 2.0

**Reference:** C017

**Transporter Proposal**

The Joint Office of Gas Transporters would like to request that the Authority grant permission to amend the legal text as contained within the Notice of Implementation 0046 and its associated Consent to Modify C015 to take into account the renumbering of the paragraphs in UNC Section TDIC 1.1 by the previous implementation of 0043, effective 06:00hrs on 05 October 2005 within UNC update 1.02, Code as at 01 December 2005.

In summary, the prior implementation of 0043 inserted a new paragraph 1.1, including sub paragraph 1.1.1 and renumbered the existing paragraph 1.1.1 as 1.1.2. This now means that the numbering contained within the Notice of Implementation 0046 needs to be incremented up one for each paragraph, as highlighted below.
