MOD 431/0641S UPDATE

SHIPPER/TRANSPORTER

**METER POINT PORTFOLIO
RECONCILIATION**

Background

- Modification 0431 was implemented on 1st April 2014.
- The Modification is to; Improve the completeness of data held on CDSP systems on behalf of industry parties by carrying out a Meter Point portfolio reconciliation between Supplier records and CDSP held records.
- As per the modification requirements, Xoserve register any Meter Points considered Shipperless or Unregistered that were not registered by Shipper Organisations.

New Meter Point Portfolio Reconciliation Guide

To advise that for the 2020/2021 run of this process we published a helpful guide on Xoserve's external website www.xoserve.com

Your Thoughts...

Our purpose, as a group, is to stimulate thought and action on the underlying reasons and remedies relating to sites that become Shipperless & Unregistered.

We are therefore very keen for us to understand your views, thoughts, opinions and ideas to have a significant impact to reduce the S&U population levels.
