Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

This proposal is to formalise an already existing process, which we are happy to support.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree that this should be a 'self-governance' modification.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

We agree that the release of this modification should be aligned with iGT115.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

As we are not impacted by this we have no comment.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

As we are not impacted by this we have no comment.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No

Please provide below any additional analysis or information to support your representation

Nothing to add.
