NTSCMF Action 0901: updated clarification

Which charges apply to PARCAs and when do they apply

- Publication – updated each October – issued along with the Final October Commodity charges at end of July / early August. Updated in the Charging Statement from each October.
- PARCA application: the security amounts are based on the prices in the prevailing charging statement effective at the time the PARCA is to be issued.
- TPD Section Y Section 5
 - Total PARCA Security Amount phased on an annual basis from Y to Y+3 in four 25% increments, where Y is the twelve calendar months from, and including, the calendar month in which the PARCA was countersigned.
