Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

Utilita support this modification. It will support the “*Promotion of efficiency in the implementation and administration of the code*” (Relevant Objective F). This modification will also aid in the identification of Faster Switching changes to the Uniform Network Code (UNC) since 2019 and future modifications.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

Utilita agree that this modification should be subject to self-governance.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

Utilita agree on implementation timescales as laid out within this modification.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

None identified.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Utilita are satisfied that the legal text published along side the modification on 2nd April 2020 and additional information published 22nd April 2020 will deliver the desired outcome defined by Relevant Objective F.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

None identified.

Please provide below any additional analysis or information to support your representation

None.
