Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support: Please summarise (in one paragraph) the key reason(s)

SP is in support of implementation of this modification. We agree the introduction of an Annual Report provided by an Independent Chair will have a positive impact on relevant object f, by bringing efficiency in code.

This change would allow for the chair's knowledge and experience to be utilised for continuous improvements, developments and management of Modification Panel, Uniform Network Code (UNCC) and the wider Industry.

Self-Governance Statement: *Please provide your views on the self-governance statement.*

We agree the modification meets the self-governance statement.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

No lead time would be required, implementation could be as soon as a decision has been made by Panel (sixteen business days), subject to no appeal being raised.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

SP would not face any development or ongoing costs as a result of this change.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

We believe the legal text will deliver the intent of the change solution.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*
