

# UNC 0757:

Mod Title: Amendment to the Ratchet Guidance

Document Name

Proposer: David Mitchell

Panel Date: 15<sup>th</sup> April

# Why change?

- It has been identified at both the UNCC and the Distribution Workgroups that the name of the document that supports the Network Designated Class 1 process needs clarifying as it is currently ambiguous.

# Solution

- This Modification will amend the name of the “Class 1 Ratchet Charge Guidance Document” to “Distribution Network Operator Designated Class 1 Guidance Document” where it is currently referenced in the UNC.

# Recommended Steps

- The Proposer recommends that this modification should be:
