Modification 0759S Enhancements to NTS Within-Day Firm Entry and Exit Capacity Allocations

NOTE: The term 'capacity allocation period' has been updated to 'entry capacity allocation period' throughout UNC Section B 2.4, 2.8 and 2.16 to reflect its applicability to entry. 'Capacity allocation period' used in Section B 3.5 and 3.6 and Annex B-1 has been updated to 'exit capacity allocation period'. The updates have been created in order to distinguish different lengths of time between the periods.
