

Further Consultation Notice: 0519
"Removal of Entry Capacity Incentives from the Network Code"
Version 1.0

Dear Colleague,

**Modification 0519 "Removal of Energy Balancing Incentives from the Network Code" &
Modification Proposal 0520 "Removal of
Entry Capacity Incentives from the Network Code"**

Please be advised that at the June Panel meeting, the Modification Panel determined, under Rule 8.10.2.(b) that both of these proposals should be subject to further consultation in the light of the availability of the proposed System Operator Licence Conditions.

You are now invited to submit further Representations to these proposals to be received by the Modification Panel Secretary no later than 10 days after the final Licence Conditions are published.

Yours sincerely,

Julian Majdanski
Modification Panel Secretary.
