Dear Julian,

**Modification Proposal 0472 "Restoration of Funding for National Top Up"**

Thank you for your letter dated 3<sup>rd</sup> May requesting Ofgem to give an indication of the likely date by which a decision will be made on modification 472, given that the final modification report has been with Ofgem for more than four months.

Unfortunately, the delay was caused by the need to have further discussions with Transco. These discussions have recently been completed, and we expect to make our decision by the next modification panel (May 16<sup>th</sup>).

Yours Sincerely,

**Nick Simpson**
