Dear Mr Simpson,

**Modification Proposal 0472 “Restoration of Funding for National Top-up”**

The final Modification Report for this proposal has been with the Authority for a period in excess of four months. Under the Modification Rules the Panel reconsiders such proposals and can, under Rule 8.10.2.a) determine that the Secretary request the Authority to give an indication of the likely date by which a decision shall be made.

At the Panel meeting on the 18<sup>th</sup> April, the Panel voted unanimously in favour of this course of action and I therefore formally request a response from the Authority.

I look forward to your response.

Yours sincerely,

Julian Majdanski
