

**Supplemental Report**  
**Modification Reference Number 0034**  
**NDM to DM Conversion**

The legal drafting included in the Modification Report (in Draft) was circulated to the Development Workgroup on 6th August with a request for written comments by 8th August.

One written reply was received.

The comments have either been incorporated into the legal drafting or will be considered along with other representation received during the consultation process and responses included in the Final Modification Report.
