

# **Change Overview Board**

## **Change Horizon Quarterly Review**

14 April 2015

# Ofgem endorses COB

## What Ofgem said about COB in its Simplification Plan

*“We welcome initiatives such as the Change Overview Board, which aims to provide strategic industry change portfolio planning and prioritisation”*

*“...effective in raising awareness of the scale and scope of challenges through tools such as the Gas Central Services Change Horizon”*

*“...continue to work with COB...to fulfil the intention of managing and prioritising industry change in a manner that is more co-ordinated, efficient and mutually beneficial to all stakeholders”*

# Next Day Switching and Centralised Registration

- What are the COB's views on
  - The impact on Gas Central Services?
  - The implications for Shippers and Transporters?
  - The 2019 delivery target?
