# UNC Modification Proposal 0613 - Revised UK Link Manual CDSP Data Services Document

16<sup>th</sup> March 2017

## Proposal details

---

- UNC Transportation Principal Document (TPD) Section U deleted under UNC Modification 0565A (FGO)
- UK-Link Manual is a CDSP Service Document in Data Services Contract (DSC) – constitutes existing UK-Link Manual
- UK Link Manual Framework Document developed as interim measure pending revision of UK-Link Manual
- Requires a revised UK-Link Manual by Project Nexus Implementation Date (PNID)
- Purpose of this Modification is to establish the new UK-Link Manual within the CDSP Service Document
- Framework Document becomes redundant
- Facilitates GT Licence ‘relevant objective’ (f) - Promotion of efficiency in the implementation and administration of the Code.

## Process steps

---

- Self Governance procedures sought
- Draft Proposal considered by UNC FGO Workgroup on 7<sup>th</sup> March 2017
- Xoserve presently drafting updates to UK-Link Manual
  - Mainly 'structural' – file formats and 'heirarchy' not affected
- One Workgroup meeting necessary but more may be required to ensure complete review of content
- Report back to April 2017 Modification Panel (extension may be required)
- Contingency measure may be necessary to amend Framework Document to replace PNID deadline with new date. Would require Self Governance Fast Track' Modification – to be raised at April 2017 Modification Panel.
