

Review Group 0168

September 2007 Monthly Report to Panel

Meeting Held

13 September 2007

Planned

11 October 2007, 11.30 at Elexon.

Matters for Panel's Attention

Revised Terms of Reference are submitted for Panel approval.

Topics Discussed

The Group agreed revised Terms of Reference and processes.

The Group agreed to meet on the second Thursday of each month following the UK Link Committee Meeting. The meetings will be open but all attendees will be expected to contribute to the work of the Group.

xoserve, on behalf of the Transporters, agreed to bring a presentation to the next meeting to describe current arrangements and current RbD parameters eg reconciliation volumes.

Ofgem agreed to summarise its current RbD issues log, including any recent decisions on related UNC Proposals.

The Proposer and Joint Office agreed to develop a work programme for the Group.
