Subject: Re: Withdrawn Modification Proposal 0136 and Replacement Modification Proposal 0136V

FAO Julian Majdanski,
Modification Panel Secretary

Julian,

Following the Modification Panel's decision to withdraw Modification Proposal 0136 and replace it with Modification Proposal 0136V, SSE's viewpoint on this proposal has not been affected and, therefore, please consider our original response to Modification Proposal to 0136 to be wholly applicable to Modification Proposal 0136V.

Regards,

Mark Jones
