Dear Steve,

Re Timetables for Modifications 299 and 303

Mod 299 Changes to the charging of compression at TOM

1. Circulate today
2. Close out for representations 21/12/98
3. Transco report to Ofgas 22/12/98

This mod has been accepted as urgent. Please note that this acceptance is under the proviso that, as per our conversation, the wording of the modification ensures that the allocation statement will not be invalid if it does not include details of the compression charges.

Mod 303 Increased availability of NTS Daily Entry Secondary Capacity

1. Circulate today
2. Close out 21/12/98 - 17/12/98 *ASul*
3. Transco report to Ofgas 22/12/98 - 18/12/98 *ASul*

This mod has also been accepted as urgent.

Should you have any further queries, please do not hesitate to contact me.
I would be grateful if you would confirm the receipt of this fax.

Regards
