I refer to modification 0320 "Termination of Non-Domestic AQ and EUC Review."
As this modification proposes to terminate the 1999 I&C AQ review Ofgas has
accepted the above modification as urgent and suggest the following timetable.

- Modification proposals out for representations : 15 March 1999.
- Close out for representations : 26 March 1999.
- Final modification report to Ofgas : 2 April 1999.

Please do not hesitate to contact me should you require further assistance.

A handwritten signature in black ink, appearing to read 'RRM', followed by a long, horizontal flourish.
