

SUPPLIER OF LAST RESORT – REVIEW GROUP 0503

TERMS OF REFERENCE

- To debate and identify operational and credit issues for Transco and the Shipper Community arising from the appointment of Supplier of Last Resort.
- To consider operational and credit risks surrounding the appointment of an SOLR and, where appropriate, make recommendations to the appropriate workstream regarding the development of appropriate contract changes.
- To monitor and review development of solutions within workstreams and ensure that a robust communication channel is maintained across workstreams and industry groups.
- Where a contractual or industry change cannot be introduced to fully mitigate a risk or issue, ensure that a robust review method is maintained to monitor the ongoing residual risk.
