Support or oppose implementation?	Support * <i>delete as appropriate</i>
Relevant Objective:	c) Positive * <i>delete as appropriate</i> d) Positive * <i>delete as appropriate</i>

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

This is an important step towards meeting Project CLoCC cost and time saving objectives. Strongly supported.

Self-Governance Statement: Please provide your views on the self-governance statement.

No comment.

Implementation: What lead-time do you wish to see prior to implementation and why?

ASAP please.

Impacts and Costs: What analysis, development and ongoing costs would you face?

No costs. Future benefits from lower costs for projects meeting the CLoCC criteria.

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

Yes.

Are there any errors or omissions in this Modification Report that you think should be taken into account? Include details of any impacts/costs to your organisation that are directly related to this.

None identified.

Please provide below any additional analysis or information to support your representation

The removal of the load threshold is welcomed.
