### **No-deal EU exit REMIT contingency arrangements – Update**

On 1 March 2019 we published an update to the No-deal EU exit REMIT contingency arrangements ie the Letter we published in December 2018. If a Withdrawal Agreement is implemented, the EU exit implementation period will run until 31 December 2020, unless otherwise agreed by the UK Government and the EU. During this time our working assumption is that current REMIT registration and data reporting channels will remain unchanged. Please refer to the document attached for more information.
