UNC Modification Proposal 0684S - Amendment of the Data Permission Matrix to add Meter Asset Provider as a new User type

Dear Bob,

Thank you for your invitation seeking representations with respect to the above Modification Proposal which Cadent would like to support.

**Do you support or oppose implementation?**

Support

**Relevant Objective:**

f) Positive

**Reason for support/opposition:**

We are supportive of this enabling Modification which will add Meter Asset Providers (MAPs) as a new User type to the Data Permissions Matrix. The inclusion of MAPs as a User type will facilitate the submission of Central Switching Systems notices.

**Self-Governance Statement:**

We agree with the Self-Governance Statement within the Modification that this is a non-material change to the UNC and can be subject to Self-Governance.

**Implementation**

This Modification Proposal can be implemented sixteen Business Days after a Modification Panel decision.

## **Impacts and Costs**

No impacts or costs have been identified.

## **Legal Text**

As Legal Text provider we are satisfied that amendment of the Data Permissions Matrix is sufficient to meet the objectives of the Modification Solution.

## **Are there any errors or omissions in this Modification Report that you think should be taken into account?**

We have not identified any errors or omissions.

## **Please provide below any additional analysis or information to support your representation**

We have not identified any additional analysis or further information.

We trust that this information will assist in the compilation of the Final Modification Report. Please contact me on 07884 113385 ([andy.clasper@cadentgas.com](mailto:andy.clasper@cadentgas.com)) should you require any further information.

Yours sincerely,
