Support or oppose implementation?	Support
Relevant Objective:	d) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

We support this modification, which incentives improved meter read submission for larger sites in Product Class 4. We agree that this will be helpful in reducing UIG.

Implementation: *What lead-time do you wish to see prior to implementation and why?*

Implementation immediately following decision would be acceptable.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

No significant costs expected.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes

Modification Panel Members have requested that the following questions are addressed:

Q1: Views are requested on whether this Modification should be the subject of Self-Governance or Authority Direction?

Npower considers that this Modification should be subject to self-governance.

Are there any errors or omissions in this Modification Report that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

No

Please provide below any additional analysis or information to support your representation

No further comment.
