Reference: AUG Queries from British Gas

Date: 19th November 2013

Dear Colleague

A further set of queries have been submitted by British Gas and we have published on the Joint Office of Transporters website for your information. These will be considered under the AUG Query Process and our responses will be issued following our investigations and presented to a future UNCC meeting as required (but this will not be the meeting on Thursday 21<sup>st</sup> November).

Yours sincerely

Clive Whitehand  
Senior Consultant
