

Report for Uniform Network Code Committee
August 2007
Demand Estimation Sub-Committee

Meetings Held

23 July 2007, xoserve, 31 Homer Road, Solihull B91 3LT

Planned

08 November 2007, Elexon, 350 Euston Road, London NW1 3AW.

Matters for Network Code Committee's Attention

None.

Matters discussed

One representation in response to the initial proposals had been received. The points were discussed in turn and addressed within the presentation given by xoserve.

Following the discussion xoserve confirmed it was the intention of the Transporters to keep to the original proposals but amend the Work Plan as appropriate in light of the discussion. No objections to this were raised.
