Demand Destruction by EUC  
for Three Years

## Action DE0201

- Action DE0201: Produce a table presenting the 3 year AQ by LDZ by EUC to show the level of demand destruction
  - The following slides show the AQ position in October of 2008, 2009 and 2010
  - Each slide represents the Average AQ by LDZ for a particular consumption band 01 to 08
  - All WAR bands have been merged with the bucket band (i.e. 03W01 to 03W04 are part of 03)
  - 2010 AQ's are on the new seasonal normal basis. 2008 and 2009 are on the old basis.
