

Message provided by Xoserve

Please find attached additional papers for the inaugural meeting of the FGO Programme Overview Board on Monday 2 June. These set out initial proposals for a Workgroup structure and an outline specification for an FGO Programme Manager.

We would also like to advise members of the FGO Programme Overview Board that Xoserve is allocating further resources to the Programme. Hilary Chapman and Matt Smith will be taking up various responsibilities within the Programme, and both will be attending Monday's meeting.

Workgroup Structure

FGO Programme Manager Role Specification
