Do you support or oppose implementation?

Support

Please summarise (in one paragraph) the key reason(s) for your support/opposition.

The Mod changes the Code to reflect actual practice and enables all to utilise the facility to submit meter readings for an additional 3 business days.

Are there any new or additional issues that you believe should be recorded in the Modification Report?

None

Self Governance Statement:

Do you agree with the Modification Panel's decision that this should be a self-governance modification?

Yes

Relevant Objectives:

How would implementation of this modification impact the relevant objectives?

The Mod impacts the following objectives positively:

d) Securing of effective competition:

(i) between relevant shippers;

(ii) between relevant suppliers;

f) Promotion of efficiency in the implementation and administration of the Code.

Impacts and Costs:

What analysis, development and ongoing costs would you face if this modification were implemented?

No system changes or other costs would be required as a result of this change.

Implementation:

What lead-time would you wish to see prior to this modification being implemented, and why?

Immediate as SSE will continue to meet Code requirements.

Legal Text:

Are you satisfied that the legal text [and the proposed ACS (see www.gasgovernance.co.uk/proposedACS)] will deliver the intent of the modification?

Yes

Is there anything further you wish to be taken into account?

Please provide any additional comments, supporting analysis, or other information that that you believe should be taken into account or you wish to emphasise.
