

Data Services Contract

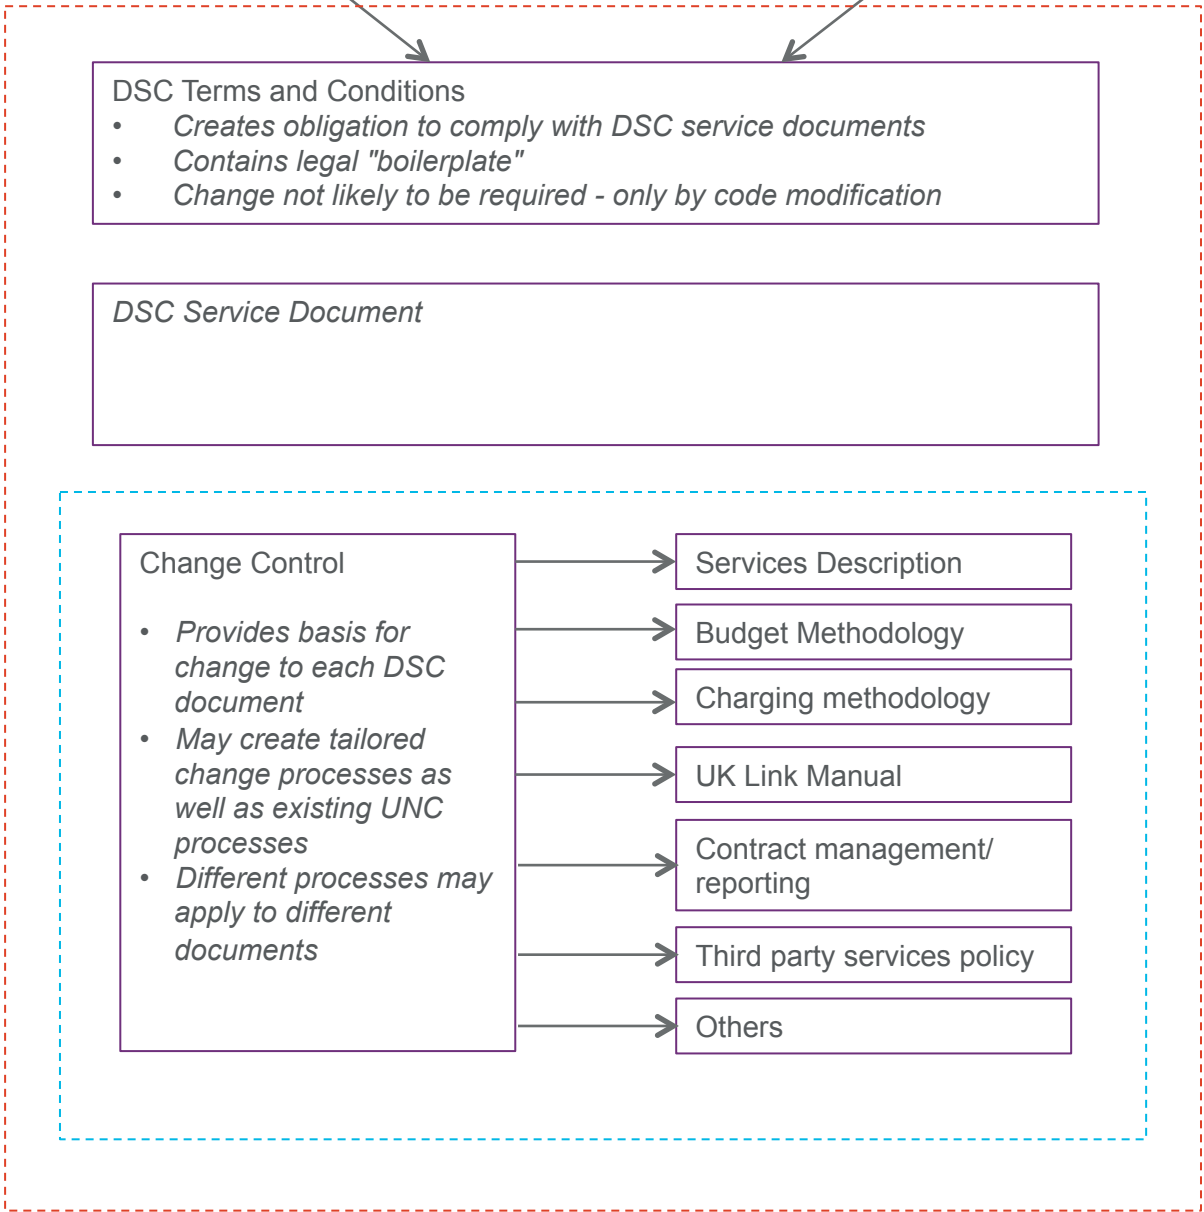

Uniform Network Code (UNC)

DSC Agreement (short multiparty document)

- Gives contractual force to the DSC documentation

Section GTB7

- Overarching framework for the DSC documentation
- Allows for change by code modification as an option

DSC Terms and Conditions

- Creates obligation to comply with DSC service documents
- Contains legal "boilerplate"
- Change not likely to be required - only by code modification

DSC Service Document

Change Control

- Provides basis for change to each DSC document
- May create tailored change processes as well as existing UNC processes
- Different processes may apply to different documents

- Services Description
- Budget Methodology
- Charging methodology
- UK Link Manual
- Contract management/reporting
- Third party services policy
- Others
