Workgroup 613S Revised UK Link Manual CDSP Data Services Document

The UK Link Manual Framework document details the composition of the UKLink manual. Under paragraph 2.1.1 (e) (iii) UKLCD3 – the UK Link Interface Document should be provided. The UK Link Interface document consists of all the file formats, records and hierarchies exchanged with the CDSP. These are available on the SharePoint Site. The link for the UK Link Interface Document is here:
