1 Summary

What

On 28 February 2022, Creditsafe Nederland BV acquired the portfolios of all the Graydon companies under Graydon Holding NV. Creditsafe have highlighted to Transporters that their access to the Graydons portal will cease at the end of their current contracts and new contracts to access the Creditsafe portal will be required.

The table in UNC Transportation Principal Document (TPD) V 3.1.7 (which is used to calculate a User's Unsecured Credit Limit) needs to be updated to insert the credit ratings issued by Creditsafe and to remove Graydons.

UNC TPD V can be found here:

[Independent Assessment Score Table \(gasgovernance.co.uk\)](https://www.gasgovernance.co.uk/independent-assessment-score-table)

Why

As Transporters will shortly lose access to the Graydons Portal, this change is required to remove Graydons and allow new and existing Shippers to be able to use Creditsafe for an independent assessment to obtain unsecured credit.

How

The table within TPD V3.1.7 will require amending to remove Graydons ratings and reflect the new Creditsafe ratings.

2 Governance

Justification for Self-Governance

The Modification:

(i) is unlikely to have a material effect on:

competition in the shipping, transportation or supply of gas conveyed through pipes or any commercial activities connected with the shipping, transportation or supply of gas conveyed through pipes; and

(ii) is unlikely to discriminate between different classes of parties to the uniform network code/relevant gas transporters, gas shippers or DN operators.

Requested Next Steps

This Modification should:

- be considered a non-material change and subject to Self-Governance.
- be assessed by a Workgroup.

3 Why Change?

On 28 February 2022, Creditsafe Nederland BV acquired the portfolios of all the Graydon companies under Graydon Holding NV. Graydons is currently one of the independent credit rating agencies which a User can select to obtain an Unsecured Credit Rating from the Transporters.

Transporters have differing Graydon contract end dates with most coming to an end shortly. Transporters are currently negotiating with Creditsafe to extend their access to the Graydon portal whilst the necessary UNC arrangements to include Creditsafe are put in place. It is thought likely that access to the Graydons portal will be removed for all Transporters **by no later than the end of February 2023**.

It is therefore necessary to amend the Independent Assessment Score table within UNC TPD V3.1.7 to remove Graydons and include Creditsafe as an independent credit rating agency in their place.

A housekeeping change is also proposed, to amend the title of 'Dunn & Bradstreet / N2 Check Comprehensive Report' to simply 'Dunn & Bradstreet Report' as the N2 report was subsumed into Dunn & Bradstreet a number of years ago and is therefore redundant.

A further housekeeping change is also required to change the Experian Bronze, Silver or Gold Report to Experian Business IQ Report. The Bronze, Silver and Gold Reports are obsolete, and the change reflects the correct name of the report which Transporters are currently using.

Creditsafe scoring mechanism

The Creditsafe scoring mechanism (below) contains 5 ratings.

The current table within TPD V3.1.7 has a scoring mechanism of ten ratings. It is therefore necessary to expand the 5 Creditscore ratings, by taking the midway point within each, to fit within the current table in V3.1.7.

5 Solution

BR 1 - Amend table in TPD V 3.1.7 to remove Graydons and include Creditsafe scoring mechanism and amend the title of the Dunn & Bradstreet / N2 Check Comprehensive Report to Dunn & Bradstreet Report and also the Experian Report from 'Bronze, Silver or Gold Report, to 'Business IQ Report'.

Independent Assessment Score	Equivalent of the Independent Assessment Score to credit scores provided by the independent credit rating agencies for Independent Assessments			% of Transporter's Maximum Unsecured Credit Limit
	Dunn & Bradstreet Report	Experian Business IQ Report	Creditsafe Report	
10	5A1	95-100	86-100	20
9	5A2/4A1	90-94	71-85	19
8	5A3/4A2/3A1	80-89	61-70	18
7	4A3/3A2/2A1	70-79	51-60	17
6	3A3/2A2/1A1	60-69	41-50	16
5	2A3/1A2/A1	50-59	30-40	15
4	1A3/A2/B1	40-49	25-29	13 ^{1/3}
3	A3/B2/C1	30-39	21-24	10
2	B3/C2/D1	20-29	15-20	6 ^{2/3}
1	C3/D2/E1	10-19	10-14	3 ^{1/3}
0	E2 to Z inclusive	Below 10	Below 10	0

BR 2 – Upon implementation of the Modification, all current Users who have an Unsecured Credit Limit allocated as per a Graydons assessment (in line with TPD V3.1.7) will have their Unsecured Credit Limit reassessed as per Creditsafe unless Transporters are notified of a preference for assessment by another agency prior to implementation.
