Reference	Explanation
<b>TRANSPORTATION PRINCIPAL DOCUMENT</b>	-
<b>SECTION D – OPERATIONAL BALANCING AND TRADING ARRANGEMENTS</b>	-
Amended paragraph 5.2.1	To give National Grid and Trading Participants visibility of DSR Market Offers following the issue of either a Margins Notice or a Gas Balancing Notification.
Amended paragraph 7.2.1	To update Option Price unit rate from p/kWh to p/kWh/Day.
New paragraph 7.8	New heading.
New paragraph 7.8.1	To make clear purpose of new paragraph 7.8 is only to allow Shipper Users who are not Trading Participants to participate in DSR Option Invitations and submit DSR Option Offers.
New paragraph 7.8.2	Defines the NTST System term for the purposes of paragraph 7.8.
New paragraph 7.8.3	Explains basis on which terms used in paragraph 7 (and related terms defined elsewhere in Section D) are to be interpreted, in particular the terms 'Market Transaction', 'Trading Participant' and 'Market Offer'.

New paragraph 7.8.4	Explains on the basis of the rule in paragraph 7.8.3 a reference to Market Transaction and Market Offer are to be read as including Non-Trading System Transaction and a Non-Trading System Offer.
New paragraph 7.8.5	Explains which of the rules in Annex D-1 are to apply to give effect to the rule in paragraph 7.8.1.
