#### Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

We support the change as this widens the opportunity for shippers to engage with the Winter DSR arrangements. If this modification is not implemented there is a risk that user participation is curtailed unnecessarily.

#### Implementation: *What lead-time do you wish to see prior to implementation and why?*

A decision before the DSR bid submission deadline on 9<sup>th</sup> December would be particularly helpful.

#### Impacts and Costs: *What analysis, development and ongoing costs would you face?*

No comment.

#### Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

Yes.

**Are there any errors or omissions in this Modification Report that you think should be taken into account?** *Include details of any impacts/costs to your organisation that are directly related to this.*

No.

**Please provide below any additional analysis or information to support your representation**

No further comments.
