UNC Modification Proposal 0827S - Amending the Unsecured Credit Table in TPD V3 to reflect the removal of Graydons and insertion of Creditsafe

Dear Bob,

Thank you for your invitation seeking representations with respect to the above Modification Proposal which Cadent supports.

### **Do you support or oppose implementation?**

Support

### **Relevant Objective:**

f) Positive

### **Reason for support/opposition:**

Creditsafe, who have acquired the Graydons business, have given all Transporters notice that they will be removing access to the Graydons portal as individual contracts come to an end. Access to Creditsafes own portal to be provided upon change over.

This Modification will allow Shippers continued access to Unsecured Credit terms from a choice of three Credit Agencies after the Graydons platform has been removed.

As such this furthers Relevant Objective f.

## **Implementation**

Implementation could be 16 business days after a Modification Panel decision to implement, subject to no Appeal being raised.

## **Legal Text**

As proposer, we are satisfied that the legal text delivers the intent of the Solution.
