Date: 03 March 2023

Dear Colleague,

Please note that Modification 0838 - (Urgent) - Equalisation of prepayment and non-prepayment AUG factors, has been withdrawn by the Proposer.

It is the Proposers intention to raise a new Urgent Modification with the same title and same Modification intent. However, there will be a slight change to the solution of the Modification to allow clarification of the approach to be taken by the AUGÉ.
