

## **UNC Notice of Non-Implementation**

### **0651- Changes to the Retrospective Data Update provisions**

**Date:** 14 November 2023

Dear Colleague,

Please note that Ofgem's approval of the solution outlined in UNC Modification 0825 - *Removal of the remaining Retrospective Asset, Address and Supply Point (RAASP) elements of the Retrospective Adjustment arrangements put in place under Modification 0434*, will result in UNC Modification 0651 not being implemented into the UNC.

This is clarified within the 0825 Ofgem Decision Letter (on page 3) published at: <https://www.gasgovernance.co.uk/0825> and <https://www.gasgovernance.co.uk/0651>.

This Modification will therefore not be implemented and will now be closed.
