Modification 0647 - Opening Class 1 reads to Competition

Date: 20 June 2019

Dear Colleague,

Please note that Modification 0647 has been withdrawn by the Proposer. Now that 0694R has been raised and is being developed 0647 is no longer required. 0647 proposed a Shipper provision of Class 1 reads however work on this proposal indicates that CDSP provision of a central service may be a better solution. 0694R has been raised to explore this option.
