Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

NGN supports this modification as it extends the due date for the release of the revised UK Link Manual, and allows more time for the industry to develop and appropriately review the proposed changes.

Self-Governance Statement: Please provide your views on the self-governance statement.

NGN agrees that this modification meets the self-governance criteria.

Implementation: What lead-time do you wish to see prior to implementation and why?

NGN believes this modification should follow the typical self-governance implementation rules of 16 days post panel decision.

Impacts and Costs: What analysis, development and ongoing costs would you face?

NGN does not foresee any additional impacts or costs by extending the release date.

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

Yes

Are there any errors or omissions in this Modification Report that you think should be taken into account? Include details of any impacts/costs to your organisation that are directly related to this.
