Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

This modification will allow Xoserve (CDSP) to effectively engage with Shippers on commercial activities during the bidding process of the Centralised Switching Service (CSS).

Implementation: *What lead-time do you wish to see prior to implementation and why?*

Implementation should be made immediately following Authority decision.

Impacts and Costs: *What analysis, development and ongoing costs would you face?*

Negligible costs are expected as a result of implementation.

Legal Text: *Are you satisfied that the legal text will deliver the intent of the Solution?*

No comments on the legal text.

Are there any errors or omissions in this Modification that you think should be taken into account? *Include details of any impacts/costs to your organisation that are directly related to this.*

None.

Please provide below any additional analysis or information to support your representation
