Support or oppose implementation?	Support
Relevant Objective:	f) Positive

Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

SP supports what the modification seeks to achieve by updating specific gender references within code documentations to a more current and relevant text. This will be in line with the changes already implemented in IGT UNC147.

Self-Governance Statement: Please provide your views on the self-governance statement.

We agree with the self-governance statement.

Implementation: What lead-time do you wish to see prior to implementation and why?

No lead time would be required as this is more a housekeeping update to code documentation and implementation could be as soon as possible.

Impacts and Costs: What analysis, development and ongoing costs would you face?

SP has not identified any development or ongoing costs as a result of this modification.

Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?
