Support or oppose implementation?	Support
Relevant Objective:	a) Positive d) Positive

#### Reason for support/opposition: Please summarise (in one paragraph) the key reason(s)

Utilita agrees a change is needed, so network users are charged for their correct network usage and SOQ may need to be adjusted to achieve this. Utilita also agrees that the change will help achieve relevant objectives A and D.

#### Implementation: What lead-time do you wish to see prior to implementation and why?

Utilita will not require significant lead time to implement these changes.

#### Impacts and Costs: What analysis, development and ongoing costs would you face?

None identified

#### Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

Utilita are happy with the legal text

#### Are there any errors or omissions in this Modification that you think should be taken into account? Include details of any impacts/costs to your organisation that are directly related to this.
