### Reason for support: Please summarise (in one paragraph) the key reason(s)

ScottishPower is in support of implementation of this modification as it seeks to address issues with the current SAR process for gas.

### Self-Governance Statement: Please provide your views on the self-governance statement.

We agree with the self-governance statement.

### Implementation: What lead-time do you wish to see prior to implementation and why?

We would be required to make some system changes as a result of this modification and for that reason a minimum of 6 months lead time would be required.

### Impacts and Costs: What analysis, development and ongoing costs would you face?

As stated above some system changes would be needed but this is yet to be impact accessed at this stage.

### Legal Text: Are you satisfied that the legal text will deliver the intent of the Solution?

Yes

**Are there any errors or omissions in this Modification Report that you think should be taken into account?** *Include details of any impacts/costs to your organisation that are directly related to this.*
